ARLINGTON LOSES TO WOBURN HIGH OUTFIT ON LOCAL DIAMOND

Breaks Against Local High School Team As Woburn Ekes Out 2 to 1 Victory—Greely Stars for Arlington Nine While Crovo Stands Out With Two Hits To His Credit—Battle Closely-Fought Throughout—Large Crowd Attends Game

In a hard fought battle at Spy Pond Field yesterday afternoon, Woburn High managed to eke out a victory over the hard fighting Arlington team with the small score of 2 to 1.

It was a heartbreaker for the home team and they should have won. Men were in scoring position numerous times and left stranded on the bases. The team showed a much improved game and their batting was excellent only by their fielding which, though a little ragged at times, was 100 percent better than in previous performances.

It was a perfect day for base ball, the warm sun shining over the cool green of the trees. The weather drew a tremendous crowd notwithstanding the poor showing of Arlington in its last home game. Greely started for Arlington in the field with many sensational catches. Crovo featured at the bat with two hits.

First Inning
Woburn batted first. One man reached first, to be thrown out on attempting to steal second on a nice throw by Wright to Merrill at second. Buckley had two assists for the inning.

Arlington suffered two out on two flies. Clarke singled. Crovo singled advancing Clarke. A double steal by Clarke and Crovo put them in scoring position but the end of the batting list was up and no score was registered.

Second Inning
Woburn succeeded in getting a man on with a single but "what an arm" Wright was again able to throw him out in an attempt to steal second.

Staff singled and was advanced by a single but was tossed out on a fielders choice on an attempt to reach third.

Third Inning
Woburn was able to place a man on third with a hit, a bunt and an error but failed to score. Greely reached second on two errors. Was put into scoring position by Buckley's sacrifice. But with the bases filled on a pass and Hendrick being hit by the ball, and no out, the next three batters went out in succession to leave Arlington again scoreless.

Fourth Inning
A pass and sacrifice with an error for good measure, put two men on base for Woburn. Both runners advanced on a sacrifice bunt. A hit meant a run, and possibly two, but a run was chalked up on a long fly, the man on third scoring on the out. Crovo's throw home was a little wild.

Arlington retired in brief order. Two strikeouts and a fly.

Fifth Inning
Another hit was made off Woburn.

CONFERENCE DISCUSSES DETERMINED EFFORTS TO DEVELOP BUSINESS

Courageous and determined efforts to develop new business in the face of depression conditions—and efforts that are producing results—were described at the New England Council's New Products Conference. Nearly two hundred New England business executives, meeting at the Council's invitation, told how they had used research to develop new products and to discover new uses for old products.

Simultaneously some seventy-six New England firms under auspices of the New England Council exhibited to the Boston market new products ranging from fruit drinks to bathroom fixtures. The exhibition was held in the ballroom of the Copley Plaza Hotel where the conference was held.

James W. Hook, chairman of the Industrial Committee of the New England Council, presided at the conference. In opening the discussion of new products and research methods, Mr. Hook declared that "the world in general is far behind the research engineer. He has shown it how to live on a higher plane. What is really needed in this mechanized world is a new and vigorous school of thought that will teach us how to live with lower and lower costs and greater and greater production, a leadership that will show us how to distribute the things that are produced so quickly and so equitably that the standard of living of all the people will be increased."

"New and better products are a direct factor in relieving unemployment, since they increase the intensity of consumer wants and thus stimulate spending," Professor Robert F. Elder of Massachusetts Institute of Technology told the conference. He declared that although new products were profitable to the individual concern, the general adoption of new products programs had been limited by the conservative attitude of "production-minded" executives, and by the fact that many business men who realize that the function of business is to produce the things that people want at the price they want to pay do not know how to find out what people want. Such meetings as the present show the business man that there are ways of discovering consumer wants without spending too much money.

Professor Elder, who is chairman of the New England section of the American Marketing Society, pointed out.

Seventy-six of the leading New England industries exhibited new products to the Boston market in

Relatives of Arlington Shoemaker who Dropped Dead In Somerville Will Call Three Other Physicians To Examine Body—Medical Examiner Reports Death Due To Heart Attack—Man's Face Was Bruised When He Struck Curbstone, Somerville Physician States—Burial On Sunday

Still dissatisfied with the report that the death of Charles Maserien, Milton street shoemaker was due to an heart attack, relatives of the man will call in three more physicians to examine the body and investigate the circumstances surrounding his death in Somerville last Monday afternoon, a brother of the man stated last night.

Dr. Charles F. McCaffrey, medical examiner for the city of Somerville, attributes the death of the man to heart disease and has made his report after a thorough examination of the body which was found lying on a Marshall street sidewalk. The Arlington relatives of the shoemaker, however, still cling to the theory that he might have been struck by a hit-and-run driver and his body left on the sidewalk. According to a statement made by his brother, bruises were discovered on the left side of his face. These bruises have been explained by the medical examiner as being due to the force of the fall against the curbstone.

In the meanwhile, relatives have ordered the transfer of the body from Somerville to a Massachusetts avenue undertaking establishment where a further examination is to be made. Funeral services for the man will take place from the home of his brother, Jacob, at 102 Milton street, Arlington next Sunday afternoon at 2 o'clock. The services are to be conducted by the Head of the Armenian Church, Shawmut avenue, Boston and will be attended by many relatives from outside communities. Burial will be in Mt. Pleasant cemetery.

Charles Maserien, who, according to the medical report made by the Somerville physician died after a sudden illness which was verified by witnesses who were with the man before his death, lived at 84 Milton street, Arlington. He was 44 years old.

Maserien was born in Armenia and came to this country twenty-two years ago. He had been a resident of Arlington for the past sixteen years and had a strong patronage in Somerville as an expert shoemaker. He is survived by four brothers, Jacob, Armand, John and Albert, all of Milton street, Arlington; and two sisters, Anne Makranian and Josephine Aybejian, both of Mychusetts avenue undertaking establishment.

MYSTIC—MALDEN

Barbara Stanwyck, ranking high among the dramatic stars of the screen, comes to the Mystic Theatre in Malden on Saturday in her new picture "Shopworn." Miss Stanwyck is cast as Kitty Lane, a courageous girl who has been warned by her father that it is a tough world and the best way to take the wallop is to hand her is to be tough herself. Regis Toomey plays the role of a young Doctor who learns that his own mother was responsible for the girl he loved being driven to an immoral life. Zasu Pitts and Lucien Littlefield are paired as husband and wife and provide their own inimitable brand of comedy. "Shopworn" not only presents Miss Stanwyck in a glamorous role but also gives her an opportunity to wear some stunning gowns.

"The Gay Caballero," with George O'Brien, Victor MacLaglen and Conchita Montenegro as the stars, will be the second attraction on the bill for Saturday. Film fans who like plenty of action in their screen fare will find the "Gay Caballero" right down their alley. O'Brien is cast as a college graduate who comes to Arizona to take over his father's ranch. Instead of wealth he finds he has inherited a fight for justice in the Southland. His ranch is close to the Mexican border and vicious vipers are running wild under the supposed leadership of an outlaw called El Coyote. How O'Brien and Victor MacLaglen join hands in an effort to stop the work of the Mexican bandits is something new and thrilling in Western dramas.

"The Impatient Maiden" with Lew Ayer and Mae Clark as the featured players, heads the bill that ends its run at the Mystic on Friday. This is a screen version of Donald Henderson Clark's best-selling novel "The Impatient Virgin." "Girl of the Rio" with Dolores Del Rio and Leo Carrillo as the featured players is the second attraction on the current bill.

GRANADA—MALDEN

Maurice Chevalier in "One Hour With You" will head the double bill that opens at the big Granada Theatre in Malden on Saturday. Jeanette MacDonald who shared honors with Chevalier in "The Love Parade" is again his leading lady. In "One Hour With You" the smiling Mr. Chevalier is the happy husband of Jeanette MacDonald. He is a physician and thinks only of his work and his wife. The wife invites her best girl chum for a visit. This part is played by Genevieve Tobin who is married to Roland Young. Just as soon as the Tobin girl gets a good look at her chum's husband she starts to work. Chevalier is in a tough spot. He does not want to have anything to do with the fair visitor and cleverly manages to escape from every trap she sets. When the visit is over Chevalier is happy thinking the danger is past. Then the young lady pretends to be ill and calls in Chevalier as a doctor. Then Roland Young gets suspicious of his wife and the fun starts in earnest. It is all in fun with many catchy tunes that permit Chevalier and Miss MacDonald to shine.

"Are You Listening," starring William Haines, will be the second feature on the bill opening Saturday. "Are You Listening" is the first screen drama to deal exclusively with radio entertainers and their lives both in the studio and at home. Mr. Haines is supported by Anita Page, Karen Morley, Madge Evans, Neil Hamilton and Wallace Ford, which is quite a cast in any language. Haines is cast as writer of dialogue employed at a radio station. His existence is made miserable by a neurotic, hen-pecking wife, who refuses to give him a divorce so that he can marry the girl he really loves. The wife is accidentally killed and Haines is wanted for murder. How things are straightened out makes an exciting picture.

"Tarzan, the Ape Man" with Johnny Weissmuller, heads the bill that ends its run at the Granada on Friday. Charles "Chic" Sale in "The Expert" is the second feature on the current bill.

COMFORT

for COLICKY BABIES

... THROUGH CASTORIA'S GENTLE REGULATION

The best way to prevent colic, doctors say, is to avoid gas in stomach and bowels by keeping the entire intestinal tract open, free from waste. But remember this: a tiny baby's tender little organs cannot stand harsh treatment. They must be gently urged. This is just the time Castoria can help most. Castoria, you know, is made specially for babies and children. It is a pure vegetable preparation, perfectly harmless. It contains no harsh drugs, no narcotics. For years it has helped mothers through trying times with colicky babies and children suffering with digestive upsets, colds and fever. Keep genuine Castoria on hand, with the name:

HOME NEWSPAPER ADVERTISING

Did you ever stop to think that the home newspaper as an advertising medium possesses many outstanding advantages?

Home newspaper advertising reaches nearly everyone in the community every week; almost everyone reads the home newspaper. It is the only publication immediately associated with the life of the community.

Such a newspaper contains something that everyone in the family wants to know about. It is the greatest factor in the country in molding public opinion.

The local newspaper is the most eagerly sought piece of literature going into the home. It has more intimacy than any other factor in one's contact.

Home newspaper advertising tells us where to buy; it never lets a prospect get caught. It insures consumer's goodwill; long sales efforts are not required to sell the consumer on a product advertised in community newspapers.

Home newspaper advertising is timely and permits the advertiser to tie his copy up with current news events. It enables the advertiser to enter a specific area and secure the amount of coverage that he needs.

Home newspaper advertising is flexible; a campaign can be started any week and can be stopped at a moment's notice.

Home newspaper copy can be written to give a complete sales presentation of the products, or it can be written with the idea of trade name establishment.

The home newspaper is the closest point of contact to the actual sale of merchandise; the only thing that will approach it is a counter display or a window display.

Millions of people in the United States read their home newspaper thoroughly.—*Pleasant Plains (Ill.) Argus.*

GIVE THEM SOMETHING NEW

People will buy if they are offered something new and useful. This is now being proved day after day.

"Past experience shows that new products which catch the popular fancy will sell regardless of general business conditions," Winthrop L. Carter, president of the Nashua Gummed and Coated Paper Company, Nashua, N. H., told the New Products Conference held under auspices of the New England Council. Mr. Carter is a Director of the New England Council and a member of the Council Industrial Committee.

"The people of New England have for many years had a reputation for inventive genius," Mr. Carter said.

"We all know that some day this depression will be over," he said. "The manufacturer who has worked out his designs and has new products in production when business picks up will cash in on them at the expense of the manufacturer who sits back and refuses to take any action until business conditions have definitely changed," Mr. Carter declared.

Proper marketing and advertising of the new product is, necessarily, essential.

Durant Ladd, general manager, University Staff, Inc., of Cambridge, in discussing the importance of a marketing study before the introduction of a new product explained, "we isolate the possible user, classify him, enumerate him, and finally locate him specifically with relation to other human beings and the normal channels of distribution. If this isolating and enumerating is done carefully it is not difficult to forecast sales if conditions remain constant. However, because of changing conditions any sales forecast must be constantly revised.

"Spreading the news about a product is a matter of balancing media and money. A company marketing study will give the basic information needed. If the marketing situation has been correctly estimated at the beginning of the study, customer acceptance will follow."

These statements are worth the consideration of our Arlington merchants who have something to sell and who must sell in order to remain in business.

HEALTH AND CHILD BEHAVIOR

That the health of the child has a direct bearing on juvenile delinquency, and that this relation between health and behavior should receive attention is the opinion of Dr. S. W. Hartwell, Mass. Department of Mental Diseases, Director of the Worcester Massachusetts, Child Guidance Clinic, and author of that recent book, "Fifty-Five Bad Boys." "In trying to understand the cause of delinquency it is best to say, 'This child is delinquent because he is discouraged, or afraid, or lonesome, and unloved, or he is confused with life.' Such moods as these are what cause or make possible the child's misbehavior. And we try to find what caused these moods, we frequently find ill-health and physical handicaps."

"Most important of all," Dr. Hartwell says, "are the confusions that come to the child as a result of serious handicaps. How difficult it is to answer the boy's question as to why he is a cripple, or the girl's as to why she may never play actively as other children with strong hearts do." The child who feels himself unloved and unaccepted by others who should love and accept him often believes, and sometimes it is true, that these things are made possible because he or she is not so strong or good-looking or healthy as other children are.

Often the psychiatrist dealing with delinquent children finds that attention to physical conditions which may be remedied or helped, seems to improve the child's behavior so much that some very intelligent doctors have believed that the physical disease caused the misbehavior. Instead, according to Dr. Hartwell, what caused the misbehavior was that the physical diseases brought unhappy moods with them, and the child in floundering around for relief from these moods has been what people call bad.

"In general we can say," Dr. Hartwell adds, "that a child behaves as he does, whether the behavior is good or bad, because of the way he feels about his total situation. The same pernicious factors do not produce the same bad behavior in all children because they do not create the same feelings."

The American Child Health Association points out that this is a time for communities to act on the experience of Dr. Hartwell and others in child guidance clinics, which has shown that it is much easier for a child who is strong and healthy to be good than it is for his companion who is not so blest.

Daddy Sunshine Club Rules

1. Be kind and helpful to others.
2. Look both ways when crossing streets.
3. Always be kind to dumb animals.
4. Write a letter to Daddy Sunshine, or have Mother or Dad write it for you, every now and then.
5. Try to bring a "Ray" of Sunshine into the lives of your parents and others every day of the week and every week of the year.

These rules are not very difficult for good girls and boys to keep. Most of them are kept by them anyway. Mail your letters and stories to Daddy Sunshine, in care of this paper. He will answer them in the Daddy Sunshine Column.

Write on but one side of the paper, and place your age and address on the letter after your name. Give the day, month and year of your birth.

To join the club all you have to do is promise to keep the rules—and keep them.

From Baby Sunshine

Dear Daddy Sunshine:

Just a few lines from Baby Sunshine to let you know I have not forgotten you and I'm still alive and kicking.

I am still saving tinfoil and at present have about five pounds, which I will bring down on my next visit to your office.

I have a new kitten and his name is "Chum." I like to ride him in my doll carriage, as he is very playful. He likes to roll clothespins with his paws.

I also have my dog "Brownie" who is a little jealous of "Chum," but they manage to get along with little or no trouble daily.

I had two little baby squirrels which mother was feeding with a medicine dropper up until last Sunday, when one died and then last Wednesday the other one died, and now I have none.

I listen to the broadcast every Monday and sure do enjoy it. I would like to hear Baby Louise Tucker sing on your next program. Other children's programs I listen to are, "Uncle Beese," over WBZ; "Skippy" over WEEI; "WLOE Juniors" over WLOE; "KVO Revue" over WBRO.

These programs are all very interesting and amusing.

I am going to celebrate my third birthday in June and would like to have you announce it over the air. I will write later and let you know the date.

I will close now wishing the best of luck to you and the rest of the club members, with love from,

Baby Sunshine,
Marilyn T. Canty,
29 Tourno Avenue,
Malden

Your letter Baby made Daddy Sunshine very happy. In fact it brought a little sunshine to him, as all your letters do. He is glad you enjoy the programs over the air and thanks you for telling him so. Don't forget to send him the date of your birthday. He was sorry to hear about the squirrels dying. However you got your other two pets, so now you can give them all of your attention. Will look forward to your next letter with pleasure.

Sends Poem

Dear Daddy Sunshine:

I am very sorry that I did not write, but I could not seem to find any time.

I enjoyed the trip to the ship very much and I appreciate that you took time to take us over.

I have a little poem I made up, so I decided to send it along with this letter.

It is entitled "When War Was Declared."

When the World War was declared,
There was much excitement around
The newboys cried their papers,
On every street and square.

The men had to go to war,
Which made the mothers cry.
For their beloved sons must go away,
And for our country they must die.

We hope the wars no more will come,
To disturb this country, fair,
But if they do we'll do our stuff,
On land, on sea, and air.

Helen B. Manser,
21 Bradlee road,
Malden, Mass.

Thanks Helen for the letter and letter. Daddy Sunshine enjoyed the trip to the boat just as much as the children did. All had a great time, didn't they?

De Melle Writes

Dear Daddy Sunshine:

I have got to have a nap in a little while. My sister Priscilla wrote a long time ago telling I wanted to belong. Please send me a pin and a card. I like your picture a lot. I see your face in the Mercury every night. I play with my father every Sunday. I like automobile trucks very much. I was three Saturday, April 16, 1932. I can say my A B C's and can count to 10. My sister Phyllis is writing for me. I like all the the

boys. I have a big truck and a big automobile. It is twelve o'clock now.

So long, a member,
De Melle Garey,
94 Thatcher street,
Medford, Mass.
P. S. I am saving silver paper.

Thanks De Melle for a very nice letter, and thank Phyllis for writing for you. It is nice of you not to forget Daddy Sunshine, and he won't forget you when the pins arrive. You will write again soon, won't you.

The strawberry season is on in full swing. Here's the recipe for making good old-fashioned New participation of the schools in this is a traditional Connecticut method. Make a rich biscuit dough, 2 cups flour, 5 teaspoons baking powder, 1 teaspoon salt, 2 tablespoons sugar, 4 cup shortening and 2-3 cup milk. Divide dough in half, and roll each half to size of round layer cake tin. Put one cake in pan, brush well with melted butter, and other cake on top. They will split easily when done.

Hull 2 quarts of berries, and put them in a sauce pan, partially crush with a fork and add a cup of sugar and a tablespoon of butter. Warm them gently over the fire, but do not allow them to boil. (This makes also a good sauce for sponge cake or for ice cream.)

When the shortcake is done, place one cake on a large platter, pour half the berries over it, place other cake on top and then the rest of the fruit. Pour cream over when serving. Do not whip the cream.

The biscuit dough can with advantage be rolled and cut with cookie center for individual service.

Arlington Sportlights

Clarke seems to like bumping opponents who persist in getting in his way. He has given more than one ab ad spill, and they very seldom come back for more. Over in the opposite corner Buckley seems anxious to help him along. Since this started the morale of the team has picked up and we might yet see a hard working Arlington team in there.

Wright must have been practicing. Woburn came over to finish the job Melrose has started but Wright pulled the unexpected and nailed every one with sure paws. They thought they were going to steal every base as Melrose had. If Wright only gets a little practice catching the ball, he will bolster up the whole team.

W can't leave without remarking on that fine catch of Greeley's. He looked like Maranville out there for a minute.

aw, but the runner was caught going to second by another nice throw by Wright.

Arlington started this inning with a bang and ended with a sizzle, tying the score. Buckley's single was made into a run by Crovo's long hit. Then came three outs in a row.

Sixth Inning
Greeley retired Woburn in short order with a very sensational catch and another assist.

Wright surprised by getting a single but was caught trying to steal second. Weldaw obtained a pass but was left on first.

Seventh Inning
Two long flies, a pass and a man out at first constituted Woburn's half of the inning.

Arlington went out early with a long fly by Buckley and two out at first base.

Eighth Inning
Wright errored a man all the way around to third base, and then dropped the ball on the throw to allow the man to score. Erwin, the Woburn Captain was caught napping off first base while counting his money. Clarke made a nice stop on a poor throw by Merrill.

Hendrick reached first and neatly stole second but was still there when the inning ended.

Ninth Inning
A single put a man on base for Woburn but he kicked the ball on the way to second and was out. A strike out and fly accounted for two more.

Arlington had a big inning but was unable to score the needed run. Greeley and Buckley were on second and third. Two out and a hit would tie the score. Something like "Casey at the bat," the great Casey came to bat with the bases full and a run needed to tie the game. The great Casey fanned with three mighty whiffs. Well so did Crovo. Final score 2-1.

"Any Odd Jobs"
MA'AM?

A NEW screen door? Shutters painted? Lots of capable men need work . . . and can't find it. Let's see what can be done to help—will you? Being in the electric business, the special thing we think of is work for an electrical contractor . . . installing new outlets for added convenience—on the porch, perhaps, so you can read there on summer evenings . . . a light for a dark closet that goes on automatically as the door is opened, and off the instant it's closed . . . a modern new ceiling fixture for the kitchen that gives you a light like daylight to work in.

You will help? That's fine! If you'll get in touch with your local Job-Finding Office, they'll supply a man for the work—or, if it's more convenient, tell us the "clean-up, paint-up, fix-up" jobs you want done—and we'll turn this over to them . . . We also might add—it won't cost much to get this work done—prices are the lowest in years.

LOWES STATE

Jackie Cooper and Charles "Chic" Sale co-starring in the Metro-Goldwyn-Mayer production, "When a Feller Needs a Friend," come to Loew's State Friday in the feature attraction of its third Spring Carnival show.
"When a Feller Needs a Friend" is Cooper's first production since his appearance with Wallace Beery in "The Champ." In the current picture he has another grown-up star playing with him, this time Charles "Chic" Sale, remembered for his roles in "The Star Witness" and "The Expert." The story has been adapted from the book "Limpy" and produced by young Cooper in the role of a crippled boy who makes a companion and pal of an old street car conductor, the part played by "Chic" Sale. Laughter and tears are said to be intermingled in the story with touching and dramatic effect. Dorothy Peterson and Ralph Graves appear in the cast in supporting roles.
Short features of the show include Zazu Pitts and Thelma Todd in their latest comedy, "Red Noses"; an Olympic Games sports feature; a Louis Weir organologue and Hearst Metrotone News.

ADMITTS ASSAULT ON MAN WHOSE AUTO HIT AND KILLED HIS DOG

Timothy O'Connell of 109 Arlington street, Medford, pleaded guilty to assaulting William Canavan, on Harvard street, West Medford, after Canavan, who had been operating an auto struck and killed O'Connell's dog, and took the dog to the O'Connell house to report the accident.
O'Connell is alleged to have asked Canavan for his papers, and when Canavan was getting them he swung on him, knocking him down and kicking him.
Canavan said he was treated by a physician and told to go to a hospital for an x-ray to determine whether or not his nose was fractured.
O'Connell denied having kicked Canavan when he was down, stating that he might have accidentally "stepped on his face." Canavan told the court that the dog was on the sidewalk curb and as it ran out, witness stopped his car. Then he started the car again and the dog ran out and was run over.
Witness said he was as careful as he could be and after the accident he saw some ladies on a piazza and he talked to them, and securing the name of the owner from the dog's collar, went to the O'Connell home.

Governor Asks Taxes On Tobacco And Theatres

Governor Ely yesterday sent a special message to the legislature advocating the imposition of a tax on tobacco and amusements and a tax on bottled goods as a means of raising money to be allocated to cities and towns for public welfare purposes only.

The message was divided into three sections, one being referred to the joint Ways and Means Committee, another to the Committee on Taxation and the third to the Committee on Municipal Finance.

WAKE UP YOUR LIVER BILE— WITHOUT CALOMEL

And You'll Jump Out of Bed in the Morning Rarin' to Go
If you feel your liver and bile are not working right, don't wonder a bit of what natural water, oil, linseed oil, and other natural substances can do for you. You can expect them to make you feel better and brighter and full of energy.
For they can't do it. They only make you feel worse and more tired. You can't get at the cause. The reason for your discomfort is that your liver and bile are not working right. It is the only way to get rid of the cause of your trouble. It is the only way to get rid of the cause of your trouble. It is the only way to get rid of the cause of your trouble.
If this little is not showing better, your liver doesn't digest. It just keeps on making more and more trouble. You can't get at the cause. The reason for your discomfort is that your liver and bile are not working right. It is the only way to get rid of the cause of your trouble. It is the only way to get rid of the cause of your trouble. It is the only way to get rid of the cause of your trouble.
It takes three good old CALOMEL LITTLE LIVER PILLS to get the cause of your trouble. You can't get at the cause. The reason for your discomfort is that your liver and bile are not working right. SPORT REALM

Of all the stories that have been written about the Medford High track team at the Penn. Relays last week none of them mentioned that Orin Andrews caretaker of the High School field, accompanied the team in his car and certainly proved himself a real good story. Along with Mr. Andrews was his son, Allen, who also went to the Relay Carnival as a spectator. As a token of luck Mr. Andrews wore a hat which he claims hasn't been worn for five years, and which, he says, when worn Medford always wins. It was of the collegiate type and it made a hit with the University of Penn. students. Mr. Andrews' superstitions did not hold true but who knows it may have had something to do with Medford's excellent showing in the games.

Most folks have a mistaken idea of the Penn. games. When they heard Medford placed fourth or fifth in any of the races they felt that Medford had not done as well as they should have. Such was not the case. When one considers that the Penn. Relay Carnival attracts the finest in College and High School tracksters in order for a High School to take a first it must be an exceptional team. For instance, when Hamilton Collegiate Institute broke the two mile interscholastic relay mark by six seconds it had a tough time winning. The games are run off on a perfect time schedule and in all ways is a spectacular event both to competitors and spectators. There were nearly 40,000 track lovers in attendance on Saturday, the closing day of the games.

In order that the Mercury and the City League can keep a running record of the standings and averages of the teams and individuals in the City League, Secretary Cassidy has issued an urgent request that all team managers fill out two score blanks immediately after each game and both blanks be brought or sent to the Mercury office the night of the game. One blank for the Mercury and one for the League. Blanks may be obtained at the Mercury office. The League Secretary will also pass out score blanks at the next meeting of the League. All City League team managers are urged to do this and have it done promptly so that the official records may be kept up to date and also that the Mercury may have a complete record of each and every game.

The Medford High nine does not play again until next Wednesday. On that day they take on Winchester at Winchester. Coach Ernest Roberts' boys certainly redeemed themselves by drubbing the Everett High team at Everett Tuesday afternoon, Saturday, May 14th, Medford travels to Fitchburg.

Ben DeBenedictis, Gig Chalmers and Val Connolly, students at New York University, were hosts to the Medford relay runners last Saturday night. Ben is putting on weight and looks to be in fine shape. Gig Chalmers, as announced some weeks ago, will return to New York University this fall as assistant football coach, after he graduates on June 7th. Gig says that Ben should have a good year at the New York college and they are expecting big things from the Medford giant. Chalmers and DeBenedictis are living in the same Frat House, Phi Gamma, while Val Connolly is located at the Delta Upsilon House.

Horace Barker, Irv Plummer's brother-in-law, says he has had word from Irv to the effect that the Medford boy on the Wilkes-Barre team of the New York-Penn. league knocked a homer in the first game of the season which won for his club. Irv should have a good season from all indications and with half a break and a little more seasoning he is ready for the big tent any time after this season. In the first game Plummer played right field but it is expected he will do most of the catching.

The James W. Norton Club, one of the City League clubs, has added a few new names to its roster for the first half. Joe Adams, George Sacco, Tony DeNafio and Eddie Waldron have been added to its list. The Norton Club dropped the names of Charles McLaughlin, Eddie McCarthy, and Charles Nichols. The Tigers have added Tony Cerasuolo, Paul Young and Howard Young to its roster. The Independents have dropped George Wendell and Bob Winn and have added Frankie Berez and Anthony Curran. The Civics have added Tom Dwyer and have registered George Callahan as coach. Callahan was manager and coach of the St. James team last season. The St. James have made two additions to their player roster, Vincent Lake and Henry Doe are the new additions. John Ridout and Emerson Ridout have been dropped from the St. James' list.

The schedule of umpires for City League games is so arranged that Joe Wellington is not working very often during the first portion of the first half due to his recent illness but toward the end of the first half he works more frequently and it is hoped by that time he will have fully recovered and physically able to handle the games. Joe became very popular with the boys on the League teams and from what Joe says apparently he enjoyed umpiring the games last year as much as the boys enjoyed having him. Frank Plummer, Dick Phelan and Jimmy Connors are the new umpires in the League this season. Plummer has had an abundance of experience as he has umpired many of the Malden League games in the past and many independent games around Greater Boston. Phelan has had a good deal of High School, College, and professional baseball experience which gives him a sound background. Jimmy Connors is a newcomer as an umpire but has proven himself very favorable thus far. He handled most of the pre-season games.

Now that the good weather is here where are all these golf enthusiasts we heard so much from last year? So far none of the boys have gathered courage enough to break open with a challenge but there ought to be something in the wind within a few days. All the courses are open and most of the boys have had an opportunity to limber up and knock out the links. George Hackett, Phil Desmond and Joe Fitzpatrick have been reported as being in mid-season form. Joe Kennedy, the fellow who came down from the wilds of New Hampshire last season and challenged every golfer in the city, hasn't put in an appearance in these parts yet but is expected soon.

Tufts Loses To Brown, 9-6

"Andy" Andruskiewicz, Tufts pitching ace, lost his first game in five starts when the Brown sluggers, led by Buck Harris, downed the Jumbos, 9 to 6, at the Oval yesterday. Harris hit safely three times, stole three bases and scored four runs. Although the Tufts nine gathered eight hits from the slow-ball offerings of Don Bowie, the Brown mound ran kept them scattered fairly well. Andy struck out 10, allowed 19 hits, passed two and hit one, while allowing eight runs to cross the plate. Bowie struck out four, allowed eight hits and passed four. Each pitched eight innings.

The Bears got away in a good start in the first inning when Harris walked, Kroeger was hit by Andy, the two pulled a double steal and Gilmartin hit a double to score both men. Gilmartin, who had gone to third on the play at home, then stole home and Tufts caught up to that three-run lead.

Phil Stafton, sophomore pitcher, pitched the ninth for Tufts, while Humphreys finished for Brown.

Three men were hurt in the game. Cairo of Brown was forced to retire in the fourth when he injured his leg while sliding in a third. Cecil Ingram's finger was hurt by a pitched ball in the fifth. Harris and Robert, a Tufts pitcher, sprained his ankle while sliding into second base in the ninth.

Mullins and Barry In Pitching Duel At Playstead Pk.

Lefty Mullins and Frank Barry engaged in a pitching duel last night as the Vernon Cubs and North Medford played a serious tie at Playstead Park, West Medford. Mullins allowed one hit and passed two men, while Barry was nipped for two hits and passed five. Barry however struck out six to Mullins two.

The Vernons had the better chances to score, filling the bases in the second, and having two men on in the third. Barry struck out men in the pinches.

North Medford got one man on in each inning, but could not score. Both first basemen, Bresnahan and Terrill, played well in the field.

The Vernons tackle the Independents Friday night at Sumner street, with Bill Ingram down to face Pee Feeley or Deacon Donahue.

One City League Game Tonight B. A. U. - St. Jas.

There is but one game on the City League schedule for tonight. The Belgian American Union will face the St. James outfit at Wellington playground.

The B. A. U. having won its two opening league games from North Medford and the Independents respectively, on successive nights, makes Emil DeBrie's team a heavy favorite to cop, particularly as St. James lost to the Tigers Tuesday night.

Whether or not the B. A. U. can maintain the rapid pace it has set in the first two league contests is a question? However, the Belgian boys mean business this year and their opponents may expect a tough contest from them now that they have started off on the right foot.

Two games are on the slate in the City League tomorrow night. The Vernons will play the Independents at Barry Playground and the Tigers will have the James W. Norton club to contend with at Morrison Park.

Civic Club Victorious In Initial Game

The Medford Civic Club, which closed their season with a victory over the City League club, opened its City League season on Saturday night, May 4th, at the Wellington playground. The Civic Club, coached by George Callahan, defeated the Brown team, 10 to 6, in a game which was a real battle. The Civic Club, which was the first of the season, took a home run with two outs in the fourth inning, and making a leading one-run lead in the fifth. Nearly 1000 Lose Licenses For Failure To Test Equipment

Reports received at the registry of motor vehicles yesterday showed that the first two days of the sticker campaign netted more than 900 automobiles. These were machines which were found on the streets and highways without the green sticker as evidence of official testing of brakes and lights.

In Monday's drive by the State inspectors around Greater Boston 450 delinquent motorists were caught. Nearly 500 more reports coming in yesterday from outlying sections of the State swelled the total to almost 1000, with many more expected.

—Mrs. S. Padula of Forest street, will celebrate her 19th wedding anniversary in June. During this time it is expected that she will take a trip abroad with her husband and eldest son.

Final Rally Girl Scouts On May 21st

A delegation of Medford Girl Scouts and officers attended the tree planting ceremony held at the State House, The tree planted was a black walnut, descendant of a tree planted by George Washington himself at Mount Vernon. Several prominent people spoke briefly on George Washington, Mrs. Arthur B. Hart placed the Girl Scout marker by the tree, after the Scouts had planted it, each putting on a shovel-full of dirt as they sang the "Tree Song".

After Miss Hone Gray had led the Scouts in the Tree Pledge, D. Gilbert of the Department of Agriculture accepted the tree on behalf of Gov. Ely, for the State of Massachusetts. Over 300 Girl Scouts, representing different cities in Massachusetts, attended the ceremony, and music was provided by the bugle and drum corps from Dorchester and Quincy. Mrs. P. H. Bely, a captain of Troop 14, and Miss Ruth E. Femessey, director, accompanied the following girls as Medford's representatives: Troop 1, Natalie Belyea, Caroline Brownlow, Troop 3, Patricia Allen, Troop 6, Elizabeth Clark, Margaret Silk, Evelyn Nelson, Helen Kelleher, Dorothy Hackett, Mary Alice Allen, Lois Allen, Betty Adams, Troop 9, C. Lin Latham, Troop 12, L. L. Latham, Troop 13, Van Foster, Troop 14, Ruth Hamilton, Ruth Edger, Troop 14, Lois Burns, Phyllis Shaw, Ruth Oliver.

The date for the final Rally for the Scout year has been set for Saturday, May 21st. It is to be held at the Brookline estate, 10.30 a.m. to 3.30 p.m. All badge work must be completed at headquarters by May 16th, in order that badge be awarded on May 21st.

A bit of community service, the Medford Scouts are planning to do a little landscape gardening around the outside of the Historical Building, where they have their own Headquarters. Two representatives from each troop will

take part in the ceremony held at the tree planting. Plans for this event are being directed by Miss Lita Pote, Lieutenant in Troop 1, and Miss Miriam Page, Lieutenant in Troop 4.

The annual spring festival at Cedar Hill is to be held this year on May 14th in the form of a circus, called "May Monkey Show". Medford Scouts, directed by Amy Wild of Troop 6, are taking charge of some of the side shows and putting on a performance at 1 p.m. Admission to the grounds is free and everyone interested is cordially invited to attend.

The training course, meeting at headquarters Wednesday mornings, under the direction of Miss Ruth Femessey, has planned an outdoor meeting for May 4th. Mrs. Charles Gott and Mrs. Albert Allen are planning this trip to Cedar Hill as a part of their own first class work. They will be outdoors cooking, fire-crafting and the laying and following of trails passed off by those attending.

The Troop 6 is holding a food sale on Friday, at the Malden Electric company, opposite Governors avenue, this sale is being run by the Troop Mothers, under the direction of Mrs. David Kelleher. The money raised will be used to send members of Troop 6 to Camp Coolidge this summer.

Troop 14, Mrs. P. H. Belyea, Captain, Vacation week, Lt. Sheld, held a class in table setting at her home and the following Tuesday they invited Capt. Belyea to tea, for which they set the table and served. Friday some of the girls with the Captain and Lieutenant took a hike to the Sherwood and had a "picnic" roast. Lois Burns, Barbara Budd, Ruth Berry and Virginia Atkinson passed for building.

Troop Notes

Troop 14, Mrs. Frank Pote, Captain, took a hike through the Fell-Saturday. They observed the birds and trees and made some maps of the trails. The First Aid group met last Wednesday under Capt. Pote.

Troop 14, Miss Geraldine Philp, Captain, held a business meeting last Tuesday and played games.

LOEW'S ORPHEUM

Beginning Friday, Loew's Orpheum offers its third Spring Carnival show, featured on the stage by the appearance of Sammy Cohen, the famous screen comedian, and on the screen by "The Wet Parade," Metro-Goldwyn-Mayer's adaptation of the Upton Sinclair novel.

A comedy sketch, "The American Bepit," introduces Cohen in his vaudeville turn. The comedian will have on the bill with him Major, Sharp and Minor, well-known vaudeville stars, in an act entitled "The Singing Sinners," Paddy Cliff and Orchestra; Adele Nelson, premier female elephant trainer, with her Baby Elephant, and one other act.

Dorothy Jordan and Walter Huston head the cast in "The Wet Parade." The story strikes the pulse of life as it is lived in the United States today, with a comprehensive treatment of the prohibition question as its theme. Its episodes are such as may be read about in the daily news columns and editorial pages. Its background, however, merely serves as a background to the intimate and stirring love story of the plot. Lewis Stone, Jimmy "Schnozzle" Durante, Neil Hamilton, Robert Young, Myrna Loy, Wallace Ford and John Miljan are included in the cast.
